

## Insure your investment

---

If you have one property or a portfolio of properties it is important to ensure you have the correct level of cover.

Specialist Landlord Insurance is important as it can cover you for :

- Loss of rent in the event the property becomes uninhabitable.
- Accidental and Malicious damage caused by the tenants.
- Property owner liability – in the event a tenant or visitor of the tenant is injured.

We work alongside specialist providers who are able to provide competitive quotes. Please call for more information.
